

2022 AIIP Conference Sponsorship Opportunities

#AIIP22: Join AIIP members and friends on April 27–29, 2022 in our **All-Virtual Annual Conference**

Value in Virtual Event Sponsorship

AIIP's virtual 2022 Annual Conference offers an engaging, accessible, safe, and socially distant alternative to promotion at in-person events. Choose your level of sponsor visibility in a 3-day, immersive, live event with multiple levels of engagement before, during, and after the conference.

Unique Opportunities Within the Virtual Environment

Brand Exposure to Broader Audience

Your brand is front and center as attendees interact with the event platform and engage in the virtual experience. As attendees take part in live content, discussion topics, and networking, they see calls to action to connect with your products and services. Your brand exposure continues in photos and video after the conference.

Live Interaction with Attendees

Sponsors can exhibit in AIIP's virtual Expo Hall for deep dives, demonstrations, and Q&A with registered attendees. You can provide memorable experiences in one-to-one or one-to-many engagements.

Attendee Data and Analytics

You will receive contact information for "warm leads"—reports and analytics identifying attendees who click on your calls to action, express interest in your products and services, and attend sessions you sponsor.

Post-Event Marketing and Follow-Up

You will receive real-time, actionable reports and data to develop relationships with new prospects. Data on registration, interests, and attendance supports your effective post-event marketing and follow-up.
